Town Employees “Celebrate Service” to Our Community

Pinetop-Lakeside – February 23, 2010 – As part of the Town of Pinetop-Lakeside’s 25th Anniversary, Mayor Luke Smith issued the first of many “Celebrate Service” challenges to the citizens of Pinetop-Lakeside and the surrounding community. The Town is now instituting a program to continue that initiative beyond the 25th Anniversary that will involve the Town employees.

The objective of this program is to allow the public to see another side of the people who work for them. Town Manager, Kelly Udall, stated, “Volunteering is a way to serve the community in a more personal way, and by giving of the employee’s time and effort outside of the workplace it shows the community it’s more than just a job.”

Town employees may utilize a maximum of one hour per week or five hours per month of flex time to engage in volunteer service to the community, which will allow an employee to alter their typical work schedule to accommodate community service. The employees are allowed to choose the organization(s) they would like to assist, and are encouraged to participate.
