

Pinetop-Lakeside
Community Development Department in cooperation with Counts Planning
is requesting public input regarding the Town's General Plan

The Town on Pinetop-Lakeside relies on the General Plan to make important policy decisions. Therefore, the Town of Pinetop-Lakeside in cooperation with Counts Planning will host a public open-house meeting on Thursday, **March 11, 2010 at 6:00 p.m.** in the Town Council Chambers to discuss issues affecting our community. The General Plan requires significant updates and modifications; with special consideration given to elements such as land use, circulation, economic development, community facilities and services, environmental planning, housing, open space and recreation, cost of development, growth areas, and water resources. The General Plan will even identify policies and strategies for the use of renewable energy sources.

The process is ongoing and public participation and feedback is encouraged to assist the Town's planning efforts to better serve the needs and desires of the community.

If you would like more information regarding the public meeting, please contact Brian McCabe, Town Planner, at 928-368-8883 extension 229 or via e-mail at bmccabe@ci.pinetop-lakeside.az.us.

The date, time, and location of the public open-house meeting are as follows:
